Important Information

Playgroups are designed to provide developmentally appropriate fun for the children, while also allowing parents or caregivers an opportunity to meet other families from the local community.

Playgroups are by registration with the lottery drawing being pulled on **Thursday, March 14th at 10:00am**. There is a \$20.00 fee for each child for the entire spring session. Families may register for one Play & Learn Group and the Music Makers class by paying \$20 for each.

There is no refund for canceled or missed sessions. Groups begin on Monday, April 1st, and run through Friday, June 7th.

Group Descriptions

0-4 Year Old Play & Learn Group

This is our traditional playgroup offering parents a chance to play with their children in a semi-structured environment while meeting other parents of young children. A range of free-play and group activities for children in the specified age range will be offered. Playgroup includes a provided snack and circle time. Families are encouraged to sign up for a rotating weekly reading backpack. The backpack includes at least 3 books and a short tip sheet on reading to children.

Hull's Music Makers: This is a weekly themed music class. You and your child will explore rhythm and movement while singing, playing instruments and having a good time. This group is for children of all ages and is adjusted based on the participants' ages.

We offer the Ages & Stages Screening Questionnaire (ASQ) three times a year. We hand out the developmental screener in the fall and spring and offer the social-emotional screener during the winter session.

This year, as part of the Statewide Week of the Young Child, April 8-12th, we will be offering the developmental screening to all group attendees. If you would like to complete the screener online you may go to https://www.asqonline.com/landing_pages. After you complete the screener, Joan will score it and provide an individualized developmental tip sheet. These tip sheets provide a variety of fun activities you can do with your child to support their development.
